

ABOUT THE US

At OT 4 Kids TLC, our goal is to create a brighter future for your child by providing them with a fun and nurturing environment. By embracing your child's individual gifts, we will provide an array of opportunities to develop a strong underlying foundation to maximize their skills and light up the world with their new found growth and self-confidence.

Founded in 2010, OT 4 Kids TLC is based on the philosophy that ALL children have the ability to succeed! Through capitalization of your child's strengths & motivation, and identifying challenges & learning styles unique to your child, we guarantee a rewarding experience that will empower your child you years to come. At OT 4 Kids TLC, our exceptionally trained therapists aim to provide the highest quality of therapy. Based on years of clinical experience and brain research, we strive to provide the best programs available to help all children shine.

OT 4 Kids TLC is housed within an 8,000 square foot center. It was designed with careful attention given to every detail from the color and themes of each room, to the custom mural artwork to create a warm, safe and inviting space for all children and families alike. Our cheerful and multi-functional sensory gym recreates the outdoors in a safe and controlled environment, giving each child the feeling of being in an outdoor playground! Our state of the art clinic is designed to provide the ultimate sensory experience with multiple therapy rooms and equipment such as suspended swings, a full size trampoline, a climbing dome, 16 foot monkey bars, rock climbing wall, slides, a tire structure, a 14 foot cargo net, and thousands of other therapy toys!
